

October 1, 2020

Hello Friends,

I trust you have all received the newsletter which was sent out a few weeks ago. If you did not, please let me.

Since then, we have learned that Southgate does not expect to rent out space any time soon.

The executive has met together twice on Zoom and found it was a great way to meet. We have members who are immune compromised and meeting in a group is not possible. Therefore, we would you to consider downloading zoom onto your computers. You will need a camera on your device, so everyone would be able to see you. If you do not have a camera, you could still participate in the "chat". If you need help with Zoom, there will always be other members ready to assist you.

The executive has scheduled three (3) casual zoom meetings, lasting about 40 minutes each on Oct. 7, 2020. (which is the time we can have without paying to be a client.) This to give everyone a chance to become acquainted with the program, if you have not used it before, and say hello to friends you haven't seen for quite some time. The three time slots are 10:00 am, 2:00 pm and 7 pm. To attend a meeting, you will have to register what time you would like to join a meeting, so that invitations can be sent to you. I will be expecting a lot of messages in my in-box or phone calls in the next week. (You may want to be included in each time slot.)

I will be asking each of you who meets with us on Zoom to give me your collecting interest list at that time. We want to stay connected with each one of you.

The executive is meeting again the following week and we will then schedule some club meetings on Zoom. We will not attempt to do an auction, although that might be a possibility in the future. Having zoom meetings also opens up the chance for us to host out of area speakers and presentations. I have already received an offer for a presentation. If you would like to share anything at one of meetings, we certainly encourage you to do so. If you have any ideas for a speaker or a presentation, please let us know that as well.

Since we cannot meet together, please look for regular emails, concerning the club. I have more information to relay, but will do that in another letter. Stay safe and healthy!

With kindest regards,  
Henny Uyl, President
