Hello Friends

Our first zoom meetings went well. We hope to see a few more people next time. I promised that I would send out a message with the things that were discussed. So here they are.

Masks: Starla has donated fabric with a postal theme to make masks. I (Henny) donated the liner fabric and sewing the masks. They are coned mask with a wire nose shaper. They will be available for a minimum \$5.00 donation and all proceeds will go to our cancer fundraiser.

Cancer Fundraiser 2020: The club has raised \$1024.65 for the Cancer Society. I am making arrangements to meet with Hailey Parliament and present her with our cheque. Totally awesome! Thanks for contributing to this worthwhile cause, through your donations and things purchased at the club.

Circuit Books: These are available for pick up from Gerry Lemanski. You may also contribute pages to the circuit books. Afternoons is the best time to get in touch with her.

Scavenger Page: Attached to this message, you will also find a template for a scavenger page. The first one who returns it to me (by email) correct and completed will get a prize. These are nice prizes.

Collecting Interests:

Starla Michener Dassy: Mint Newfoundland and other Canadian provinces, Boys Scouts, Winston Churchill, Mr. Zip, RPO and Flight covers and stamps.

Derek Smith: New Brunswick 1860-1993.
